PROCRASTINATION.

PROUGASTINATION.

In the spirit of this enemy to human health and happiness, has reduced many an individual to poverty, distress, anguish, and death, Like Felix, deferring an all-important point to "a more convenient season," many lose the opening opportunities of serving themselves and others. Procrastination in business matters, produces the same spirit in cases of health, and many a person, adopts every excuse for the nerfect of the one, and the omission of the other. In cases of incipient consumption, every article is obtained to afford speedy relief—bleeding and blistering are resorted to—and the patient is nortured by operations and drugs. "Why," say a vicitor, "do you not try Pease's Horehound Candy V. The answer is—I will, if I am not better in a few days—I will consult my physician." This is done, and he says, "I abbor quack medicines." The patient knowing its harmless effects, sends for a package, takes it unknown to the physician recovers, little suspecting that it was done by one package of Pease's Horehound Candy, from 45 Division street.

PEASE'S CANDY.

Horehound Candy, from 45 Division street.

PEASE'S CANDY.

I had my family all afflicted with the croup, and every medical attendant despaired of the relief of my younger children more especially. We were warmly recommended your estimable Hozehound Candy—and the result was a rapid as it was effencious. The family now enjoy their usual health, and the medical attendants more asknowledged its powerful efficacy upon the youngest as well as the oldest. Signed,

Intellectual development and Personal Beauty considered in connection with Dr. Britz Gouraud's Depilatory
POWDERS.

THE Sculptor, whose study is to imitate the exquisite workmanship
of nature, portrays in his model of the human form, a broad and
elevated forehead. This developement is not only consonant with, but
sometimes necessary to the possession of a high order of mental faculty. If a fine forehead is a mark of intellect, it is so less an essential
element of personal heauty; and it is of importance to those, and there
are many such, possessed of this prominent feature, though obscured
by the encroachments of a too luxurious growth of hair, to remove
that portion of an excresence which tends, in their case, only to deform.
This can be done safely, speedily, effectually, and if used in accordance
with directions, without the lenst inconvenience, by Dr. Felix Gourand's Depilatory Powders. The fuzze of the lip, when annoying, or
the short hair on the beack of a lady's neck, when too apparent—the
hair of a mole, or the beard, when high upon the cheek, may all be romoved, and eventually the roots destroyed, by the use of this preparation. THE subscriber is daily receiving DRY GOODS from auction, of the newest styles and latest importation, which will be offered at reduced prices. I ladies will find it to their advantage to give a call and examine the Goods. and examine the Goods.

PECTORAL HONEY OF LIVERWORT.

PECTORAL HONEY OF LIVERWORT.

FOR Coughs, Colds, Asthma, Whooping Cough, Shortness of Breath and all Affections of the Heart and Lungs, leading to CONSUMPTION. Reader, you have tried many medicines for your cold. Have you had a bottle of NOWILL'S PECTORAL HONEY OF LIVERWORT! Try it. It is assuredly the best medicine ever offered to the public. The testimounals tendered and the high culogiums given this last winter from those who have taken it, attest at once its superior virtue. It is from this cause that we are induced to make it as popular as possible, though it has increasingly received the public approhation amounting to about fifty thousand bottles per annum. No puff or advertisement has done this to hoax on the sufferer a watery colored solution, and inefficacious medicine, thereby hastening a disease to its fatal termination—the puff alone sustaining the hopes of the patient, until hopes are gone.

The preparation of the Honey of Liverwort is solely composed of vegetable ingredients simple in their nature, but in combination no only calculated to remove the immediate disease, but to invigorate it system generally. No medicine ever offered to the public can be safe to have restored to health so great a number of persons in consumptive complaints as Nowill's Pectoral Honey of Liverwort. It should be kept in all families, to administer upon the first symptom of cold a cough, as inattention and neglect are the causes of numbers losing their lives, especially in consumptive cases.

This medicine, offered to the public at the low price of Two Shik lings, is accessible to all. For sale at the principal Depot, 64 Madison street, corner of Catherine.
